VARIETY OF MATH SKILLS INCLUDED

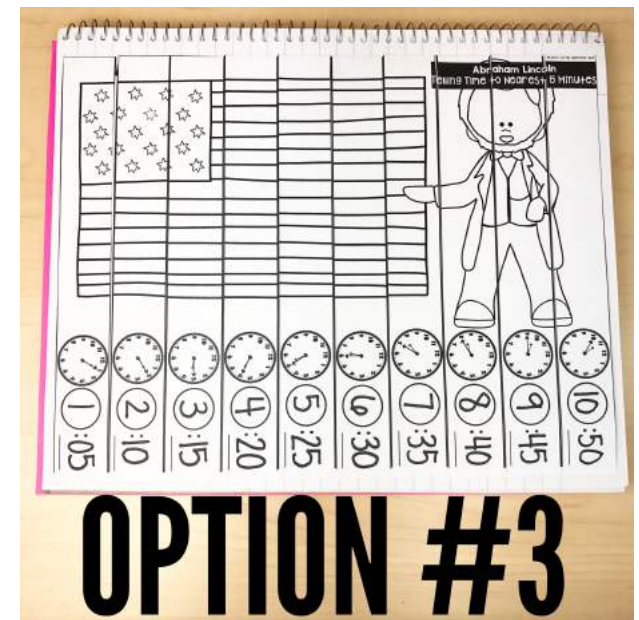

Directions & Options

- Pages 4-21
- Full color puzzles
- Laminate, write, & wipe

- Pages 22-39
- Black & white puzzles
- Laminate, write, & wipe

- Pages 40-57
- Black & white puzzles
- Puzzle pieces are mixed up for students to solve, cut, & assemble

✓Great for enrichment, early finishers, intervention groups, guided math centers, homework and morning work tubs.

✓Math skills included: addition, subtraction, multiplication, 10 more/10 less, 1 more/1 less, counting coins, place value, fact families, number bonds, 2-digit addition (with & without regrouping), 2-digit subtraction (with & without regrouping), part part whole, telling time to the nearest 5 minutes, rounding numbers, and least to greatest

✓Students solve the math problem on each puzzle piece. Then they sort the answers that are written in the circles from least to greatest.

Puzzle Completion Checklist

Name _____

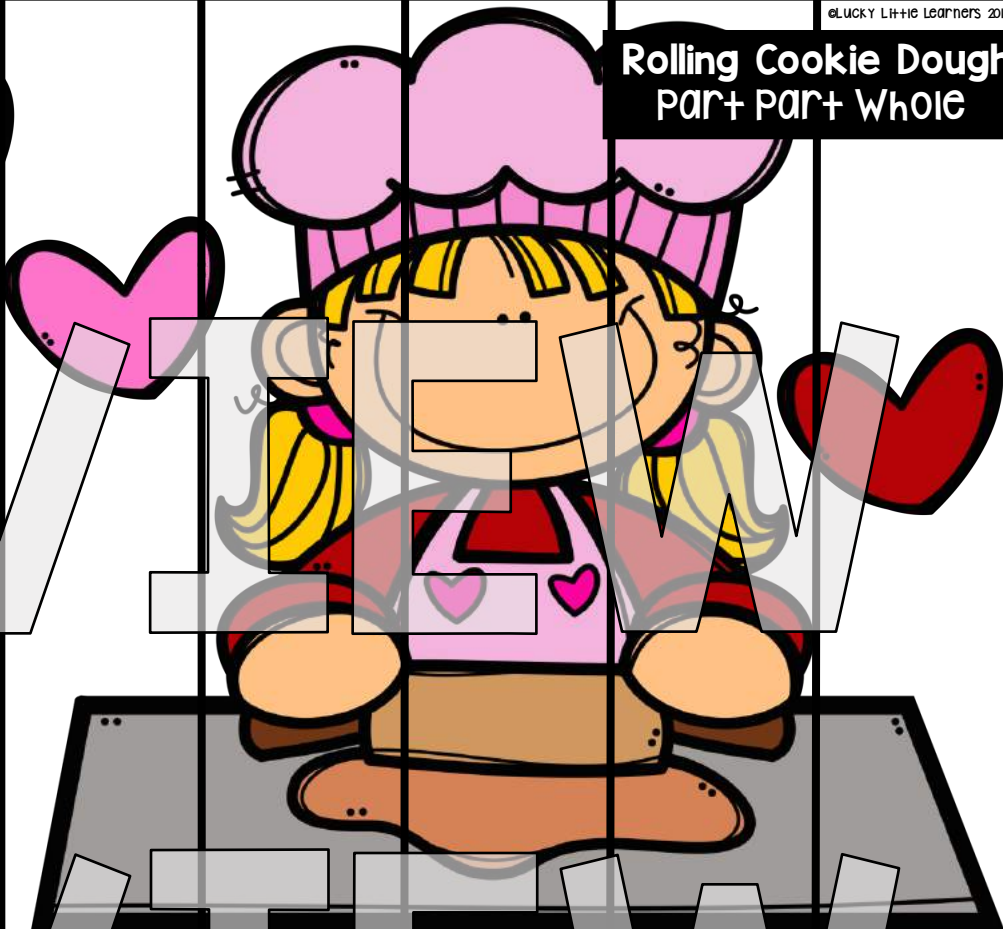

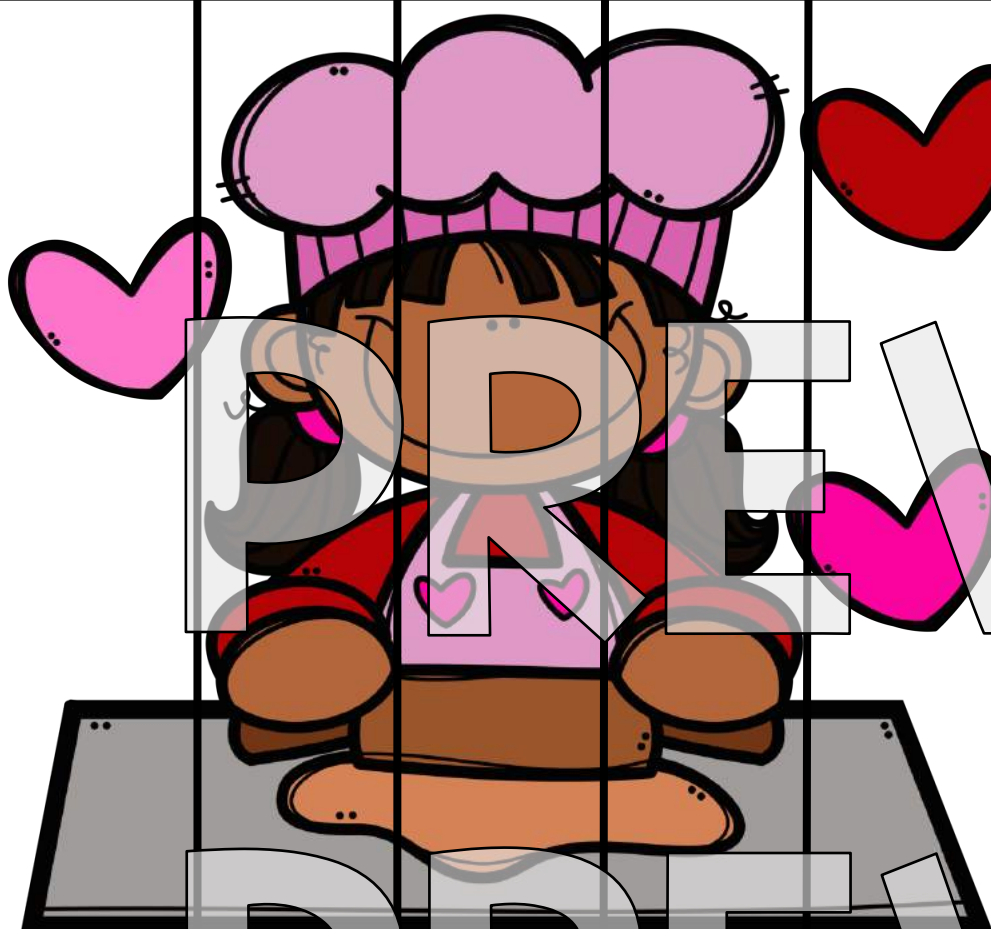

- Valentine Treats (Math Facts)
- Love Bugs (1 more/1 less, 10 more/10 less)
- Monsters Bundled Up (Counting Coins)
- Peek-a-Boo (Place Value)
- Happy Groundhog Day (Fact Families)
- Cuddle Bear (Number Bonds)
- Lovely Little Bird (2-Digit Addition)
- Baker Treats (2-Digit Subtraction)
- Rolling Cookie Dough (Part Part Whole)
- Abraham Lincoln (Telling Time to Nearest 5 Min)
- George Washington (Rounding Numbers)
- President Pride (10 more & 10 less)
