Directions & Options

OPTION #1

- Pages 4-17
- Full color puzzles
- Laminate, write, & wipe

OPTION #2

- Pages 18-31
- Black & white puzzles
- Laminate, write, & wipe

OPTION #3

- Pages 32-45
- Black & white puzzles
- Puzzle pieces are mixed up for students to solve, cut, & assemble

✓Great for enrichment, early finishers, intervention groups, guided math centers, homework and morning work tubs.

✓Math skills included: 2-Digit Subtraction (with and without regrouping), Part Part Whole, Time to the Half Hour, Fractions, Multiplication, 2-Digit Addition (with and without regrouping), Counting Coins, Doubles Facts, Subtraction, Skip Counting by 5's, Number Bonds, 1 more/1 less, 10 more/10 less, and least to greatest

✓Students solve the math problem on each puzzle piece. Then they sort the answers that are written in the circles from least to greatest.

Build a Snowman

2-Digit Subtraction
(Without regrouping)
