VARIETY OF MATH SKILLS INCLUDED

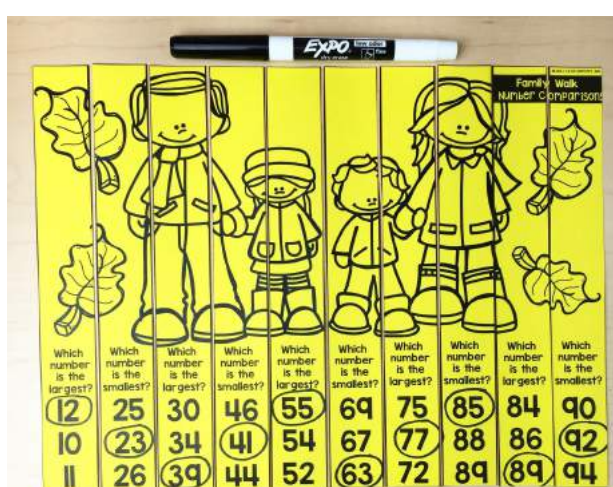

Lucky Little Learners

Directions & Options

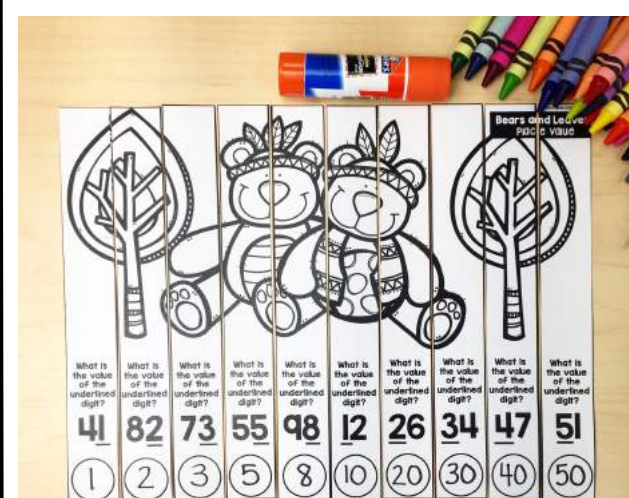

OPTION #1

- Pages 4-24
- Full color puzzles
- Laminate, write, & wipe

OPTION #2

- Pages 25-45
- Black & white puzzles
- Laminate, write, & wipe

OPTION #3

- Pages 46-66
- Black & white puzzles
- Puzzle pieces are mixed up for students to solve, cut, & assemble

- ✓Great for enrichment, early finishers, intervention groups, guided math centers, homework and morning work tubs.
- ✓Math skills included: expanded form, math facts, odd and even, place value, missing addends, number comparisons, 2-digit addition, adding three numbers, counting money, base ten blocks, make a ten, and least to greatest
- ✓Students solve the math problem on each puzzle piece. Then they sort the answers that are written in the circles from least to greatest.

Puzzle Completion Checklist

Name_____

☐ Family Game Time (Expanded Form)

☐ Gobble Gobble (Math Facts)

☐ Cozy Family (Odd and Even)

☐ Bears and Leaves (Place Value)

☐ Ribbit Turkeys (Missing Addends)

☐ Family Walk (Number Comparisons)

☐ Festive Owls (Addition with & without regrouping)

☐ Family Snuggles (Adding Three Numbers)

☐ Cornucopia Goodies (Counting Money)

☐ A Great Feast (Base Ten Blocks)

☐ Thanksgiving Feast (Make a Ten)
