

Thank you for your interest in this resource! Each color by number sheet includes a variety of 2-digit math problems with and without regrouping. Half of the sheets are addition and half of the sheets are subtraction. Each sheet comes with an answer key as well.

These are great for early finishers, sub activities, morning work, or even homework!

The holidays and seasons included in this resource are Winter, Christmas, New Year's, and Valentine's Day. If you are looking to save money, you can purchase the Color By Number Bundle!
