

SPRING COLOR BY NUMBER SHEETS

This resource is perfect for a no prep option that will excite your kids about practicing and mastering their basic math facts to 18. There are 25+ spring themed worksheets in this pack. Half of the sheets are basic addition and the other half are basic subtraction. Math facts are displayed in both a vertical and horizontal format. These can be used as independent practice, early finishers, morning work, homework, or even math station. Answer keys are provided for self correcting if desired. This resource is available in a discounted bundle as well!
